Subject: Thank you letter to Covelli Corporation

Dear Ladies and Gentlemen:

This letter is a Thank you letter to the Covelli Corporation in behalf of Hostelling International-USA, and our local organization, Florida Friends of Hostelling.

We have been meeting at your Panera Bread, 696 E Altamonte Dr. Altamonte Springs, FL 32701 on the 4th Wednesday of each month, since June 22, 2016. We have been using the meeting room in the back of the restaurant.

What a pleasure it has been meeting at your restaurant all these years! Your employees are always courteous and helpful, and very cordial when we purchase our refreshments.

Your organization has been supportive in donating to us small coupons which we give to our attendees as door prizes.

Our national organization does not provide us sufficient funds to reserve the meeting room for our fourth Wednesday meetings, but your personnel have been very helpful in arranging the room for us when possible.

And at our last meeting, February 26, your kind personnel provided us a few bagels to welcome us.

In all our years of arranging meetings for various organizations we have never experienced a better host.

Your organization has been so supportive that we are desirous to formally Thank You by way of this letter. Accordingly, we extend to you this Letter of Thanks for your hospitality.

We look forward to many more years of delightful meetings in your Altamonte restaurant.

Sincerely,

James H. Coppens

James H. Coppens,
Chairman, Florida Friends of Hostelling
